Shamrock Men's Golf Club 2022!

We're all looking forward to the 2022 season. **We want to welcome new members**; please review this and consider speaking with current members for more information.The objective of our club (50-60 members with handicaps from 3-33) is to have fun while playing golf and to respect the game as it is meant to be played – by the rules. We feel it is each member's responsibility to know the rules and to play by them. A copy of this letter should be shared with anyone that might be interested in hopes that a more direct personal invitation will result in adding new players.

We've scheduled both individual and team events. The tournaments are held at Shamrock Golf Course in Corcoran. The schedule of events is shown below. The events are held on Saturday and Sunday times. We hope you'll play in all the events, but you can sign-up as you choose.

We'll continue to host social golf outings on non-tournament weeks. We'll have some form of inexpensive game and include self-funded skins, nearies and low-net payouts (quarters). We'll start this as soon as the course opens.

Note: This is the only notice you will receive regarding dues of $150.00 this year.

Send your check by April 1st, so we can finalize our list of members prior to the season.

Make check out to HollyRock Men's Club* and mail to:

Brian Steffens
18483 85th Place N
Maple Grove, MN 55311

Please provide your address, preferred telephone number, and email address with your dues payment.

Dues are used for prizes at the events, your MGA (GHIN) handicap service, MGA & MPGA dues, annual cookout and to pay off for any hole in one's during tournaments. Since our club belongs to the MPGA, members can play at MPGA tournaments throughout the year which are listed at **www.mpga.net.**

Spring Meeting: We'll have a Spring Meeting this year in April (April 13 - tentative). We'll discuss membership, tournaments, action items from previous meetings, club finances and any open business.

Tournament Sign-up: The Club will be using the same Web site (www.GolfGenius.com) as previous years for tournaments, tee times and results. Members will receive a tournament signup notification ~two weeks prior to each event.

Last Season's Champions Congratulations last year's Club and Flight Champions
