

ABOUT OUR LEAGUE

A new golf season is waiting for YOU!

Our league welcomes 18 and 9 hole golfers every Tuesday morning from May through September.

Weekly events, monthly get togethers and Medal Play highlight our season. We welcome all skill levels, even if you are just getting started.

Golfing in a league is a wonderful way to make friends while you mix exercise and friendly competition.

TWGA is a league dedicated to organizing and promoting friendly but competitive golf among all women, regardless of handicap.

We foster friendships among women who have the same passion-playing golf.
