

## Shamrock Men's Golf Club 2026

We're all looking forward to the 2026 season. **We are always looking to welcome new members.** Please share this information with any prospective members.

The objective of our club (40-60 members of all handicaps) is to have fun while playing golf and to respect the game as it is meant to be played – by the rules. We feel it is each member's responsibility to know the rules and to play by them.

Tournaments are held at Shamrock Golf Course in Corcoran. The scheduled tournaments include individual and team events and are flighted based on handicaps. The tentative schedule of events is shown below. Events are held on Saturday and Sunday times. We hope you'll play in all the events, but you can sign-up as you choose.

We'll continue to host social golf outings on non-tournament weeks. We'll have some form of inexpensive game and include optional self-funded skins, nearies and low-net payouts. We'll start social golf as soon as the course opens. Mark Andryski will be running social golf activities.

Note: This is the only notice you will receive regarding **dues of \$175.00** this year. Please send your check or pay via Vemmo by **April 1st** so we can finalize our list of members prior to the season.

**If you choose to pay via check, make checks payable to HollyRock Men's Club\* and mail to:**

**Brian Steffens  
18483 85th Place N  
Maple Grove, MN 55311**

**If you choose to use Vemno, use the account: @Brian-Steffens-12**

Please provide your address, preferred telephone number, and email address with your dues payment or separately via email. My email address is [brianjsteffens@comcast.net](mailto:brianjsteffens@comcast.net).

Dues are used for prizes at the events, MGA (GHIN) handicap service, MGA dues, annual cookout and to payout (\$100) for any hole in one's scored during club sponsored play. With the increase in club dues from 2025 we're switching to club funding for tournament payouts. In previous years we've had several golfers funded, low net tournaments. The only exception for club funding is team and personal buy-ins for the club championship weekend.

### Spring Meeting

We'll have a Spring Meeting this year in April (April 15 - tentative). We'll discuss membership, tournaments, action items from previous meetings, club finances and any open business. A meeting invite will be sent as soon as dates are vetted with the course. For new members, it's a good chance to meet other club members.

### Tournament Sign-up

The Club will be using the Web site ([www.GolfGenius.com](http://www.GolfGenius.com)) for tournaments, tee times and results. Members will receive a tournament signup notification ~two weeks prior to each event.

### Officers

President:	Jay Koepsell	Vice-President:	Ken Blankenship
Tournament / Handicap:	Dave Windschitl	Treasurer/Secretary:	Brian Steffens

**\*Final Note:** Although we refer to the club as Shamrock Men's Golf Club, we'll continue to exist as a non-profit organization with the formal name HollyRock Men's Golf Club. Sorry for any confusion, but there are expenses and time involved with creating a new non-profit organization.

---
